

IT'S 6:00 AM. YOU'RE ON. SO ARE WE.

Some businesses run from 9 to 5—but not yours. Your hospital is up and running 24/7. You need access to medical records all day and all night—across departments.

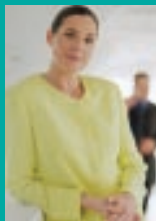

ON DEMAND MEDICAL RECORDS—ANYWHERE, ANYTIME.

Cost Effective eCharts

Now, thanks to ChartOne, you can have *on demand* access to medical records—anytime, from anywhere in your facility or remote locations, via the Internet.

So when it's 6:00 AM, and you need instant access to a patient's medical record, that's just what you'll get—*on demand*, from anywhere you want—thanks to ChartOne.

Visit us at AHIMA, Booth #637 or on-line at www.chartone.com for a complete list of AHIMA activities.
