

McKesson Acquires A.L.I. Technologies, Rated the No. 1 PACS by KLAS

ALI offers simply the best medical imaging solution available today, rated the No. 1 picture archiving and communications system (PACS) by KLAS* and ranked tops in 17 out of 18 key categories, including:

"lived up to expectations"

"money's worth"

"on-time implementation"

"implementation within budget"

ALI's proven PACS solution is now Horizon Medical Imaging™. Addressing all aspects of medical imaging capture, review, distribution, storage and reporting, Horizon Medical Imaging gives physicians and radiologists access to a complete set of critical patient information. When they need it. Where they need it. Facilitating a faster, more accurate diagnosis. And far more efficient, safer healthcare.
