### Labor Groups

From cost-control strategies to tools for improving patient outcomes, MedMetrics helps labor organizations deliver the right pharmacy benefits to annuitants while maintaining current co-payment and cost structures. [Learn More](#)

### A Unique Business Model

We're the non-profit PBM with a per-member-per-month fee and transparent pass-through pricing. No rebates, spreads, side-deals, or hidden incentives.

### Innovative Clinical Programs

Unlike other PBMs, MedMetrics relies solely on evidence-based, objective clinical solutions to lower costs and improve health outcomes.
